OFFICERS REPORTS

Treasurer: no report given

Vice President: Mike Vos, reported that he and another member did a thorough examination of all roads scoring them on a 1-10 bases. 10 being excellent condition. The overall condition of Ranchos roads received an 8. Mr. Vos also reported that a team inspected the road work equipment and found the following:

Chip spreader needs hydraulic hose work but started and ran well.

Oil truck also starts and runs well but has a pneumatic leak that needs attention.

Roller could not be started as the battery was recently stolen.

Curt recommended the reports be circulated to all the directors for examination for approval to post on the website.
